

ARLINGTON-MANSFIELD AREA YMCA

Y FRIENDS

This program provides an opportunity for adult members (18+) with special needs to focus on exercise and reinforce healthy life choices. Participants enhance their socialization, organizational and other daily living skills. They engage in problem solving, creative activities, fitness classes and social activities.

WHEN DO WE MEET?

Four days per week, Tuesday through Friday, 1:00-3:00pm at North YMCA (1005 Skyline Dr, Arlington)

WHAT DO WE DO?

Each day has scheduled activities, as well as time before and after these activities for socialization, art, and games. Several members assist instructors in preparing for the designated class by setting up the room and distributing equipment.
